Please remember that any furniture made of fabric or leather must be wrapped in plastic for pickup. Items should not be placed out before Wednesday, May 7th, and must be set out no later than Friday night.

Collection crews will make only one pass, and any missed items will not be picked up. Additionally, batteries, oil, and paint that have not fully dried will not be accepted. As the date approaches, we will post a complete list of prohibited items.

Still accepting applications

Other notes:

Tonight, there are two ordinances on the agenda. Based on the Finance Committee's recommendation to allow the General Fund to loan the Wastewater Fund up to \$100,000 as needed, I would ask that the ordinance authorizing the mayor to enter into a contract with Union Industrial Contractors be passed, as well as the ordinance to be passed as an emergency due to time constraints so that the contract can be finalized by May 10th.

Administrator Mackensen read a letter to the Council

As many of you know, I'll be stepping down from my role as Village Administrator and returning to the Jefferson Police Department as Chief of Police.

And I'll be honest—this moment brings a lot of mixed emotions.

It's not easy to step away from a role that has meant so much to me. Serving as Administrator has been an honor, and working with the incredible people who keep this village running has been one of the most rewarding experiences of my career.

To the **administration team**—thank you.
Thank you for your constant support, your professionalism, and your dedication.

Council at the May 5, 2025, Council Meeting**

**VILLAGE OF JEFFERSON
COUNCIL MEETING**

April 21, 2025

Every challenge we took on, we faced together,
and I'm proud of what we accomplished as a team.

To the **Streets Department**, thank you for your hard work, every single season.
You've kept our roads safe, our infrastructure strong,
and you take pride in what you do and it shows.

To **Wastewater**, thank you for doing one of the most essential,
and often overlooked, jobs in town.
Your commitment and expertise have kept Jefferson running smoothly behind the
scenes.

To the **Recreation Department**—thank you for creating spaces that bring this
community together.
I'm excited to still be part of the upcoming park and splashpad project.
That's something the whole village can look forward to.

I also want to take a moment to thank **Mayor Jim Chiacchiero**.
It's been a true pleasure working with you.
You've always been supportive, always asked what you could do to help,
and were never more than a phone call away.
That kind of leadership means a lot, and I've appreciated it every step of the way.

As I transition back to the police department, I want everyone to know—
you're in great hands.

**VILLAGE OF JEFFERSON
COUNCIL MEETING**

April 21, 2025

Steven Murphy will be stepping in as the next Village Administrator,
and I have full confidence in him.
I'll be working with him during this transition to make sure he's set up for success.

This isn't goodbye, it's just a new role.
I'm still here, still part of this team,
and still committed to serving Jefferson
with the same heart, the same values, and the same dedication.

Thank you for the trust, the friendships,
and the opportunity.

I look forward to continuing the journey with all of you—
just from a different chair.

Thank you.

New Administrator Murphy thanked Chris Mackensen for all the help he gave to
me on my first day. Murphy also told Council he cannot wait to make strides and
make the Village a better place.

Administrator Murphy also told the Council he is honored to be chosen as the new
Village Administrator.

Mayor Chiacchiero spoke to the Council stating that the Village and himself would
like to thank Chris Mackensen for what he has done during his time as the Village
Administrator. His major achievements were the employee handbook and kicking
off on the journey with the old Memorial Field project.

Mayor Chiacchiero also thanked him for the outstanding job he has done wearing
multiple hats.

Sexton's Report:

- 1 burial (ashes) and 2 lot sales.
Robert Norris (ashes) Columbarium SD1 on January 7, 2025

Continued to keep the cemetery roads and the helicopter area plowed along with picking up debris. Went to Hemly Hardware and purchased steel for fabricating a road drag/maintainer to include finishing and painting. Pick up part for the weed eater and finished fixing as well. All the equipment that was sold has been picked up and paid for. Craig has started the electrical work in the building. I have been asked a few times if a new columbarium is going to be purchased soon. Not sure what to tell residents. Went through files on burials to make sure everything was documented correctly on who is

buried where. Brightspeed came and worked on the phone lines because the lines were malfunctioning. Bought some new weather stripping for the main garage door and installed it. Also sharpened all mower blades and cleaned mower decks. Add a graphite spray to the bottom of the mower decks to help with cleaning and rust.

- **Sexton's Report:**
- 3 burials (2 full & 1 cremains) and 1 lot sale.
Rosemary Herman, Section 19 Lot 356 on February 5, 2025 (Full)
James Hanson, Section 12 Lot 35 on February 15, 2025 (Full)
Joyce McClinton, Section 12 Lot 47 on March 1, 2025 (Ashes)
Gary & Linda Kohlemaine purchased Section 19 Lot 469

Kept the cemetery and helicopter plowed. Decided to build another work bench for the main shop area and get rid of the old bench in the other bay to reorganize tools better. Bought a new ceiling fan for the office and did some touch up painting. Craig the electrician is still updating the electrical. The refrigerator stopped working, so it was scrapped. Purchased a new smaller fridge. Cleaned the shop and mini excavator. Had

some nice days and went out to pick up branches and litter along the road. Used the new road drag on a few of the main roads and it works great. Have been updating the index cards onto the computer for sections 1 through 7.

Old / New Business:

- Mike McWhorter was informed 4 burials could occur within one Lot with the purchase of lot for his mother, Lola Glover. Was correctly informed that only one Full burial and one Cremains are permitted per lot. McWhorter is not a village or township resident. Trustees voted to allow McWhorter to purchase another lot for \$500 next to his mother and waive the deed fee due to the miscommunication of the correct number of burials per lot.
- Provide Sexton with prior years Rules & Regulations for revision and printing. Sexton will provide Rules & Regulations upon Lot purchase to mitigate future miscommunications.
- Discussed three different Columbarium options and pricing with Laurie Haines from Haines Memorials in April and solicit bids from others for price comparison.

Motion by Powers to adjourn at 6:35 pm

Patty,
I apologize for the delay on this, we had a death in the family, and I lost track of time. I couldn't get the sign in sheet or agenda to attach I will get it to you as soon as I can.
Karen

Rec Committee met on Wednesday April 16th, 2025

Meeting called to order at 12:05pm

Roni is researching software that the Recreation Department could utilize for paperless billing, automatic payments for classes, rentals, memberships. This program called RECDESK would coincide with the software in place now.

Also discussed were the changes to fees for memberships and rental deposits. Which would include putting deposit down to reserve the pickle ball courts.

Looking for new ideas to utilize Senior bus, discussed planning more trips, transportation to and from senior enter events, back up employee to get training to drive bus. Looking into options for monthly entertainment at the senior center.

In the Village

Last Reading- The Village Spring Cleanup Day will take place on May 10th, coinciding with the County Tire Take-Back Day. Please remember that any furniture made of fabric or leather must be wrapped in plastic for pickup. Items should not be placed out before Wednesday, May 7th, and must be set out no later than Friday night.

Collection crews will make only one pass, and any missed items will not be picked up. Additionally, batteries, oil, and paint that have not fully dried will not be accepted. As the date approaches, we will post a complete list of prohibited items. In addition, I have sent a personal letter to numerous property owners to remind them to take advantage of the Clean-Up Day to avoid any zoning violation proceedings.

Street Dept.

We have compiled a list of streets to be paved for 2025. This list will be finalized this week, and the process will start to get these scheduled. In addition, a list of sidewalks to be replaced has also been made. This list will include the drop-off area paving at the new Imagination Park. I am currently waiting for a quote from French's Concrete.

In addition, two parking spots in the Chestnut St./Jefferson St. downtown will be changed to one passenger vehicle and the other to a larger special needs/wheelchair van parking area. These will be designated handicapped parking spaces and marked appropriately.

*Designated Handicap parking highlighted in blue

Zoning:

Permits issued since the last council meeting:

Accessory Building = 2

Fence = 1

Total permits 2025 = 13

Recreation Department:

The Giddings Park playground is open, and the basketball and pickleball courts are open and available. Please call the Recreation Department to schedule court times and reserve nets for pickleball. The Street Department will soon be placing the old basketball hoops in West Park for a new court for the kids in that neighborhood.

Alterations have been made to pickleball/basketball courts to allow for a new fencing line to expand the play area.

Just a reminder: T-ball will run from May 27th through June 27th at \$45 per child, and soccer will take place from July 8th through August 7th, also at \$45 per child. We are looking for volunteer coaches and team partners for both sports

New flooring, painting, and upgrades are in the final stages at the Recreation Center. If you have not been through, please do so and check out the updates. Once work is completed, I would like to host an open house, inviting the public with food and activities. In addition, with the new upgrades and remodeling, discussions on rental rate increases are being reviewed.

Wastewater Treatment Plant:

Replacing the rotating assembly in raw pump #2, Main Pump Station (both pumps have been rebuilt. The Woodside pump station, getting quotes to install two rebuilt pumps, motors, and valves. Ultraviolet lights have been installed for summer disinfection (usually runs from May 1st-October 31st)

Police:

Still accepting applications

Other notes:

I have personally met all department heads and employees. We discussed expectations and standards and reviewed village policies. I look forward to working with everyone.
