Visitors Comments

Rick Hoyson spoke as a village resident, not as a member of the Design Review Board, about the County’s plan to relocate the Police Memorial and put a parking lot in its place. He is not in favor of the wall and fence design and would like council to work with the county to find someplace else for the parking lot. He would like to stick to the spirit of the historical district and keep the green space and not have a parking lot in the middle of town. The approximately 20 residents he talked to about this agreed.

(rev. 2.12.25)

Good afternoon,

On behalf of the Jefferson Area Chamber of Commerce, I am writing to request approval for our upcoming "Autorama" community event scheduled for Saturday, June 27th.

We are requesting a road closure on East Jefferson Street from Chestnut Street to Market Street from 1:00 PM to 7:00 PM. The event will conclude at 6:00 PM, and the road may be reopened earlier depending on how quickly traffic clears the event area.

To safely facilitate the event, we are requesting the use of traffic cones and signage from the Village to enforce the road closure and restrict parking within the designated event area.

We would also like to request use of the Recreation Center restrooms for event patrons, as was permitted last year.

The event will include show vehicles, food trucks, craft vendors, and a live band (final placement of the band is still being determined). Vehicle entry will be directed from Chestnut Street onto Wall Street, with guided exit onto East Jefferson Street. Wall Street will remain open to the public, with event volunteers assisting traffic flow through the Recreation Center driveway and back onto Chestnut Street. This plan is intended to maintain access to all businesses along Wall Street throughout the event.

The Recreation Center parking lot and the public lot behind it will remain open and accessible. Additionally, the parking lot on the southeast corner of Chestnut Street and East Jefferson Street will remain open. We respectfully request the Village's assistance in reserving designated spaces within this lot for Domino's Pizza drivers and customers, allowing them to enter and exit via the alley behind Mugs Restaurant and onto Chestnut Street without disruption.

We appreciate the Village's continued support in helping us host this community-focused event and are happy to provide any additional information as needed.

Kind regards,
Brittaney Bryson
Secretary, Jefferson Area Chamber of Commerce

Re: Request for Approval of Temporary Street Closures for America 250 – Ashtabula County Fourth of July Festival

Dear Mayor Sekanina, Members of Village Council, and Village Administrator Manor,

On behalf of the America 250 – Ashtabula County Fourth of July Festival Committee, I respectfully request formal approval from the Village Council for temporary street closures associated with the America 250 – Ashtabula County Fourth of July Festival to be held Saturday, July 4, 2026.

As the county seat of Ashtabula County, the Village of Jefferson has a unique opportunity to serve as the historic host community for this once-in-a-generation celebration commemorating our nation's 250th anniversary. This countywide event is expected to draw visitors from throughout the region and will feature a historical parade, opening ceremonies, artisan market, heritage demonstrations, live entertainment, family activities, transportation services, and evening fireworks.

We respectfully request Council approval for the following temporary street closures to support safe operation of the event.

Festival Schedule

Event setup is anticipated to begin on Friday, July 3, 2026, and continue starting at **7:00 a.m.** on Saturday, July 4, 2026. Major activities are scheduled as follows:

- **12:00 noon** – Grand Parade of History steps off
- **1:30 p.m.** – Opening Ceremony
- Daylong festival programming throughout the afternoon and evening
- **Fireworks at dusk**, estimated between 9:45 p.m. and 10:00 p.m.

Requested street closures would remain in place through the conclusion of the event and safe departure of visitors, with all roads reopened as soon as practical and **no later than 12:00 midnight.**

Grand Parade of History Street Closures

We are requesting approval for temporary closures along the parade route as follows:

- Poplar Street from Jefferson Area High School to West Jefferson Street
- West Jefferson Street through downtown Jefferson
- East Jefferson Street to the intersection of Market Street

- Market Street to East Satin Street for parade dispersal

The Grand Parade of History will step off from Jefferson Area High School at noon and proceed along this route, with traffic control and reopening coordinated in consultation with local safety forces.

Festival Grounds Street Closures

To support safe pedestrian movement within the festival footprint, we are also requesting temporary closure of:

- **East Jefferson Street**, from the driveway of the Jefferson Fire and Rescue Department, 98 E. Jefferson Street, east to Sycamore Street
- **Market Street**, from East Walnut Street to East Satin Street

These closures are intended to create a safe pedestrian-centered festival zone while maintaining emergency access. The closures would begin at **7:00 am on Saturday, July 4, 2026**.

Public Safety and Traffic Coordination

Public safety has been central to our planning. We are working closely with the Jefferson Police Department and Jefferson Fire Department and Jefferson Emergency Rescue District to ensure emergency response routes remain protected and festival operations do not impede emergency calls or apparatus movement.

In addition, we are meeting with Ashtabula County Emergency Services to keep county emergency management informed and coordinated regarding what is anticipated to be a large regional event.

Supporting transportation and traffic planning includes:

- Primary parking and free shuttle service from the west end of the Ashtabula County Fairgrounds on Poplar Street
- Shuttle transportation provided by Sunset Transportation
- A controlled horse-drawn wagon route operating through Jefferson Depot Village and to the Jefferson Mill
- Confirmation from AC&J Railroad that no rail traffic will operate that day
- Confirmation that Centerra's store adjacent to the rail line will be closed July 4

Community Notification and Participation

Committee members will also be conducting outreach to homes and businesses along the parade route to provide notice regarding parade timing, street activity, and access considerations.

FOR IMMEDIATE RELEASE

ASHTABULA COUNTY BOARD OF COMMISSIONERS AND SHERIFF NIEMI INVITES THE PUBLIC TO INFORMATION SESSIONS ON THE ASHTABULA COUNTY PUBLIC SAFETY CENTER PROJECT

Jefferson, Ohio — April 21, 2026— The Ashtabula County Board of Commissioners, in partnership with the Ashtabula County Sheriff, has scheduled two public meetings to provide residents with multiple opportunities to attend and participate in discussion regarding the development of the Ashtabula County Public Safety Center. The meetings will be held on Tuesday, May 5, 2026, at 2:00 p.m. and 5:30 p.m. in the Ashtabula County Commissioners' Conference Room, located in the Old Courthouse, 2nd Floor, 25 West Jefferson St., Jefferson, Ohio 44047.

The County continues to make progress in refining the overall design of the Public Safety Center, with a focus on safety, efficiency, and long-term functionality. These meetings will provide an opportunity for community members to receive updates and share input on the project, including recent developments in design, site planning, and overall project progress.

"We encourage residents to attend and stay engaged as this project moves forward," said Board President Casey Kozlowski. "Community input remains an important part of the process as we work to deliver a modern and effective public safety facility."

These coordinated updates are intended to ensure the facility is both effective in its operations and responsive to the needs of the community.

Vice President Kathryn Whittington added, "We are committed to advancing a plan that reflects the needs of our community while ensuring responsible use of public resources."

Commissioner J. P. Ducro IV emphasized the importance of transparency, stating, "These meetings are an opportunity for residents to learn more about the project and provide feedback. We want to make sure the community's voice is part of this process."

Ashtabula County Sheriff William Niemi noted, "This facility is critical to addressing current challenges in our corrections system. Public input helps ensure we are building something that truly meets the needs of our county."

Community engagement remains a key component in shaping the future of Ashtabula County's public safety infrastructure. Residents, local leaders, and stakeholders are encouraged to attend one of the scheduled meetings.

Patty Fisher, Clerk of Council
Jefferson Village

Jefferson, OH 44047

Dear Clerk of Council Fisher,

At FirstEnergy, we value our relationships with local leaders and remain committed to strengthening the electric grid while providing safe, reliable service to the communities we serve.

In May 2026, FirstEnergy's Ohio electric companies – Ohio Edison, Cleveland Electric Illuminating, and Toledo Edison – will file a three-year electric distribution rate plan with the Public Utilities Commission of Ohio for the period from July 1, 2027, through June 30, 2030.

In 2025, Ohio adopted a new approach that allows utilities to set rates over a forward-looking three-year period, where proposed investments are reviewed before work begins and annual updates are provided to the Commission detailing what was actually spent. This approach supports investment in a modern electric system through a process that is efficient, transparent, and even more accountable to our customers.

Our rate plan supports the delivery of safe, reliable, and affordable electricity to customers in your community through investments aimed at preventing outages and restoring power quickly when disruptions occur, such as enhancing storm protection, trimming trees and vegetation near power lines, and upgrading local poles, wires, and equipment. In addition, our plan includes programs that will provide bill payment assistance for low-income customers as well as tools and incentives to help residential customers use electricity more efficiently and save on their monthly electric bills.

Importantly, our distribution rate plan does not affect the generation supply portion of customers' bills. Generation supply, typically the largest part of a customer's electric bill, is set by third-party suppliers and outside of our control.

Enclosed is a summary of the proposed electric service rates. If approved, new rates for our Ohio customers will likely take effect in July 2027. Full details, including proposed tariff schedules and electric service rates, can be found on the Commission's electronic docket for this case, Case No. 26-0347-EL-AIR, at <https://dis.puc.state.oh.us/CaseRecord.aspx?CaseNo=26-0347-EL-AIR&cx=0&y=0>.

If you would like a hard copy, USB flash drive, or compact disc of the tariff sheets, along with a "Typical Bill Comparison" showing bill impacts, we are happy to provide those at no cost. Please contact us at: FE2026TYRP@firstenergycorp.com.

Sincerely,

Torrence L. Hinton
President, FirstEnergy Ohio
