Call to order: 5:30pm
Lon Damon and Karen Roderick present.

Please see attached sign in sheet for attendance.

Roni went over the current appropriations

Discussion: temporary budget appropriations to finish out 2026, going into 2027.

One of the big projects for the first quarter is our EQ Basin at the wastewater treatment plant.

Health insurance for the Village was quoted going up 40%, Jamie is working with representatives to get more quotes.

Need to start scheduling the budget meetings for the 2027 budget and make sure department heads are available to come.

Mayor Sekanina was following up with Administrator Manor regarding speakers for Giddings park. She said the man that we ordered them from is in Trumbull twp, he has been sick and unable to deliver them. She has been in contact with him since before Spring.

Motion to adjourn 5:46
2nd Lon Damon.
